ACTIVE SHOOTER MITIGATION AND RESPONSE AND CRISIS MANAGEMENT SPEAKER

RYAN SEARLES

Ryan has 21 years of professional experience and spent almost a decade in the U.S. Army. After his military career, he worked as a contractor for the government, providing anti-terrorism and counter insurgency training for the different branches of the U.S. and Foreign Militaries. He conducted intelligence, counter terrorism, counter piracy, and foreign advisor operations across five continents. Ryan leverages his comprehensive background and certifications to provide various types of security assessments, CPTED design services, security design, crisis management, active assailant, life safety, and enterprise-wide security and risk management services for IMEG.
